EDITORIAL

I am grateful to DG Rtn. Manish Sharda, who entrusted me the responsibility of coordinating the District Directory. As in this Rotary Year R.I. President Holger Knaack announced theme "Rotary Opens Opportunities", this was also a new opportunity for me. My thoughts recollected the daunting task my predecessors underwent in collection of information and the production of the District Directory. I must admit that I wanted to have a first hand experience of this task, which in the end was sweet and bitter but satisfying. It also helped to expand my Rotary understanding. The directory in your hands is a ready reckoner on District Information.

Along with the directory we also got an district web page designed, that would be a milestone in future district deeds like District Directory, District Information, various Rotary & Rotary Club Information, and paperless working for clubs & administration of District. I would like to thank various colleagues in the District for their help and assistance. My especial thanks to Rtn. Ankur Agarwal, District Secretary Publication & IT who helped in most trying circumstances.

My special gratitude to the Presidents, Secretaries and members of the District Team, who provided the necessary information promptly.

We have taken care include information as provided to us to the best of our ability and it is possible that error or shortcomings may have inadvertently crept in. We seek your indulgence for such mistakes.

FOUNDER OF ROTARY

Rotary started with the vision of one man — **Paul P. Harris**

Founder of Rotary

Harris was born on 19 April 1868 in Racine, Wisconsin, USA. At age 3, he moved to Wallingford, Vermont, where he grew up in the care of his paternal grandparents. He attended the University of Vermont and Princeton University and received his law degree from the University of Iowa in 1891.

In 1896, Harris settled in Chicago and opened a law practice. Four years later, he met fellow attorney Bob Frank for dinner on Chicago's North Side. They walked around the area, stopping at shops along the way. Harris was impressed that Frank was friendly with many of the shopkeepers. He had not seen this kind of camaraderie among businessmen since moving to Chicago and wondered if there was a way to channel it, because it reminded him of growing up in Wallingford.

"The thought persisted that I was experiencing only what had happened to hundreds, perhaps thousands, of others in the great city. ... I was sure that there must be many other young men who had come from farms and small villages to establish themselves in Chicago. ... Why not bring them together? If others were longing for fellowship as I was, something would come of it."

Harris eventually persuaded several business associates to discuss the idea of forming an organization for local professionals. On 23 February 1905, Harris, Gustavus Loehr, Silvester Schiele, and Hiram Shorey gathered at Loehr's office in downtown Chicago for what would become known as the first Rotary club meeting.

In February 1907, Harris was elected the third president of the Rotary Club of Chicago. Toward the end of his presidency, he worked to expand Rotary beyond the city. Some club members resisted, not wanting to take on the additional financial burden. But Harris persisted, and by 1910, Rotary had expanded to several other major U.S. cities. The Second Rotary Club was found in San Francisco in 1908.

Harris recognized the need to form a national association with an executive board of directors. In August 1910, Rotarians held their first national convention in Chicago, where the 16 existing clubs unified as the National Association of Rotary Clubs (now Rotary International). The new association unanimously elected Harris as its president.

At the end of his second term as Rotary president, Harris resigned, citing ill health and the demands of his professional practice and personal life. He was elected president emeritus by convention action, a title he held until his death. In the mid-1920s, Harris became actively involved in Rotary again, serving as the public face of the organization. To promote membership and service, he attended conventions and visited clubs throughout the world, often accompanied by his wife, Jean.

Harris died on 27 January 1947 in Chicago at age 78, after a prolonged illness. Before his death, he made it known that he preferred contributions to The Rotary Foundation in lieu of flowers. By coincidence, days before he died, Rotary leaders had committed to a major fundraising effort for the Foundation.

Upon news of his death, Rotary created the Paul Harris Memorial Fund as a way to solicit these donations. Rotarians were encouraged to commemorate the late founder of Rotary by contributing to the fund, which would be used for purposes dear to Harris' heart. In the 18 months following his death, The Rotary Foundation received \$1.3 million, which helped support the Foundation's first program — scholarships for graduate study abroad.

FOUNDER TRF

Arch C. Clumph

Father of The Rotary Foundation

Father of The Rotary Foundation –

For a man best known as the father of The Rotary Foundation, Arch C. Klumph was modest about his role in its creation.

In 1928, he listed three accomplishments that gave him “more satisfaction than any other contributions to Rotary” – and launching the Foundation wasn't among them. Instead, he emphasized his role in writing Rotary's Constitution in 1915, which he asserted “gave Rotary International its first centralized power and made all the Objects and fundamentals of Rotary universal.” He also took pride in establishing attendance reports and in being the first to insist on founding a European branch office of Rotary International.

Klumph was born in the small town of Conneautville, Pennsylvania, USA, on 6 June 1869. When he was a child, his family moved to Cleveland, Ohio, where he would become a founding member of the Rotary Club of Cleveland in 1911. As club president in 1913, he advocated for the club to build a reserve that would ensure its means to do future good work. This idea would stay with him as he moved on to serve Rotary in other roles.

Five years after he became a Rotarian, Klumph was elected to serve as Rotary's president for 1916-17. Near the end of his term, at the 1917 Rotary Convention in Atlanta, Georgia, USA, he reminded Rotarians that “Rotary is at the present time entering a new era, demanding improved methods in administrative machinery, with which to carry out the splendid principles which

have been laid down heretofore.” He defined six points of action, including the establishment of an endowment, which would later become The Rotary Foundation:

“Carrying on, as we are, a miscellaneous community service, it seems eminently proper that we should accept endowments for the purpose of doing good in the world, in charitable, educational or other avenues of community progress, or such funds could be well used for extension work”.

Through Klumph's simple yet profound statement, the Rotary Endowment Fund was born. In 1928, the name formally changed to The Rotary Foundation, and a Board of Trustees was established, with Klumph serving as the first trustee chair from 1928 to 1935. Even after stepping down as chair, he remained dedicated to educating Rotary leaders and members about the importance of the Foundation and encouraging contributions.

Klumph died on 3 June 1951 at age 82, but his influence lives on through The Foundation.

Message

Dear fellow Rotarians,

Ask any Rotarian what led them to Rotary, and you'll usually get different answers. Why? Not only does Rotary mean different things to members in different parts of the world, it also has a unique meaning for each Rotarian.

However, we are all brought together in three important ways. We believe in Rotary values and all share the same Four Way Test. We believe in friendships and love spending time together. And we take great satisfaction in helping others – we are committed to Service.

The District Board has assumed important responsibilities and I thank them for this hard work. They have made a commitment to help grow Rotary, adapt to the digital future and make Rotary more appealing to younger generations.

We have important work in front of us and so many opportunities to open for others and ourselves.

I hope you will continue your journey with us, as we continue to serve our communities so that future generations can thrive as Rotary Opens Opportunities.

Holger Knaack

Rtn. Gulam A Vahanvaty

About

He is an Alumnus of St. Mary's High School, Byculla and St. Xaviers College, Mumbai, and he is an MBA from IIM Kolkata. On graduation in 1970, was invited to join the Tata Administrative Service (T.A.S.). Unfortunately, due to his Father's failing health, Gulam had to leave T.A.S. in 1974 and take over the reins of the Family Business. Gulam's initial "Eureka" Moment in Rotary happened in 1978 when he was selected as a Member of the District 314 Group Study Exchange (GSE) Team to Rotary District 656 in Indiana, U.S.A. In December 1979 he was invited

to join the Rotary Club of Bombay Downtown, and in 1985-86 was elected to serve as President, and in 2002-03 D-3140 unanimously elected him as District Governor.

As District Governor, he united the District Leaders and Presidents of all Rotary Clubs, by a motivating message "Working Together Works". This bonding resulted in a record contribution to TRF in District 3140 of US\$ 654,000, the largest contribution by any Rotary District in India till 2006-2007. There was an equally big Game-Changer.... the Jan Seva Abhiyan or Railway Station Adoption Project. Rotary Clubs across the District adopted Railway Stations and made it their mission to ease Local Rail Commuting. This was an unqualified success which resulted in very positive PR for Rotary.

In acknowledgement of his leadership and commitment, he has been, among other International appointments, Training Leader (twice), Regional Rotary Foundation Coordinator (2004-2007), Chairman of RI's Communications Committee, Chairman of TRF's Alumni Advisory Committee, Member of the critically important TRF Future Vision Committee and member of TRF Peace Centers Committee.

He is currently serving a four year term as Trustee of the Rotary Foundation up to 2022. In the Rotary year 20-21 he has been appointed Chairman of the Trustees' Stewardship Committee and a member of its Executive Committee. A Major Donor, he is a recipient of RI's Service Above Self Award and TRF's Citation for Meritorious Service and Distinguished Service Award. His Motto of Service encompasses other Initiatives. He is a Member of the Governing Board of Mumbai First, a high-powered group of Citizens committed to improve the quality of Life in Mumbai, Trustee of the Mohalla Committee Movement Trust and Public Concern for Governance Trust, both spearheaded by Mumbai's Former Police Commissioner Julio Ribeiro that works for probity in public life, promoting the use of RTI and promoting Communal Harmony.

A proficient Rider from childhood, Horses have always been a passion. He is currently a Member of the Board of Appeal of the Royal Western India Turf Club Ltd. Haseena, Spouse and the Love of his Life passed into the Ages on New Year's Day in 2015. Everybody who knew her affirmed that Gulam was blessed to have such a Life Partner. Son, Zameer, a partner in the Family Business, which now encompasses diversified ventures, Daughter-in-law, Khatija, Granddaughter Sumehra, Son-In-Law Satpal Brainch. Daughter Zahabia and their sons Rishaan and Jaiyaan, are testament to the inclusiveness and understanding of this remarkable Individual.

Message

RI President Elect Holger Knack revealed the Presidential Theme for Rotary Year 2020-21 at the International Assembly in San Diego, California in January 2020. The Presidential Theme is "ROTARY OPENS OPPORTUNITIES"

"Rotary is not just a Club for people to join" he said but rather" an invitation to endless opportunities".

The Chinese Sage and Philosopher, Confucius is quoted as having said "The Will to Win, the Desire to succeed, and the Urge to reach your full potential... these are the keys that will unlock the Door to Personal Excellence".

Rotary provides this Key, to open doors so that you can connect with the world, be the inspiration and make a difference.

All great deeds and all great thoughts have a humble beginning. Great works are often born in a street corner or in a Restaurant's Revolving Door, according to Albert Camus. On a more first-hand connect, Rotary provided the Door of Opportunity for the humungous idea of ending Polio and thus capture the imagination of the Globe.

As Dist. Governor or as President of a Rotary Club, Rotary offers you a Door to endless opportunities for personal growth and excellence. As a Service Organization it also makes you aware of the fact that everything you do in terms of Service provides Doors of Opportunity for countless others.

As a Rotary Leader, you have been handed a Torch that has been carried for 115 Years. Carry that Beacon of Light to Open Doors of Opportunity for those who have no windows.

With my very best wishes and regards

Trustee- The Rotary Foundation

सर्वप्रथम मैं आप सभी का आभार प्रकट करना चाहता हूँ जिनके विश्वास के कारण मुझे वर्ष 2020-21 के मण्डलाध्यक्ष के रूप में मण्डल व समाज की सेवा करने का सुनहरा अवसर मिला। साथियों हमारे आर० आई० अध्यक्ष हॉलर नैक के द्वारा दी गयी थीम ROTARY OPENS OPPORTUNITIES भी रोटरी में मिलने वाले सेवा के अवसरों को ही चरितार्थ करती है जिसका अनुसरण अत्यन्त महत्वपूर्ण है। रोटरी में इतने अधिक सेवा कार्य करने की सम्भावना है। साथियों मन में विश्वास होना चाहिए कि मुझे यह करना है और मैं यह कर लूँगा। हमेशा सकारात्मक साच रखकर कार्य करें तो विजय निश्चित ही सम्भव है। नया सत्र 2020-21, 1 जुलाई से शुरू होने जा रहा है। मैं यह भी जानता हूँ कि COVID-19 जैसी महामारी की वजह से अचानक पूरा संसार अंधकार रूपी गुफा में कहीं ठहर सा गया है, परन्तु मुझे गर्व है अपने रोटेरियन साथियों पर कि उसी अंधकार में हमारे सभी साथी एक हीरे की तरह जगमगा रहे हैं। अपने जोश और उत्साह से दूसरों की सहायता करके रोटरी के नाम को गौरवावित कर रहे हैं। सच में हम रोटेरियन्स में ही वो ताकत है जो असम्भव कार्य को सम्भव कर सकती है। मुझे आपसे Virtually ही सही मिलने का मौका मिला। आपके अन्दर की भावना कुछ करने के साथ आपका उत्साह वास्तव में मुझे और अधिक कार्य करने के लिए प्रेरित करता है। साथियों मुझे विश्वास है कि हम सभी मिलकर इस गहन अंधकार को पोलियो की तरह फतह करके अपने कार्यकौशल को एक बार फिर साबित करेंगे। हमें अच्छे विचार के साथ अच्छे कार्य करने हैं, आगे बढ़ना है।

एक पुरानी कहावत भी है कि जो होता है वह अच्छे के लिए होता है। निश्चित ही इस गहन अंधकार के पीछे का सवेरा जो हमें दिखाई नहीं दे रहा है निश्चित नयी अच्छाई लेकर आयेगा। हमें विश्वास रूपी मशाल को हमेशा ज्वलित रखना है और अपने उत्कृष्ट कार्यों से अपने साथ-साथ मण्डल 3100 का नाम भी ऊँचा करना है क्योंकि आप सभी का आत्मविश्वास ही मेरी ऊर्जा और ताकत है।

Dear Rotary Leaders & Brothers -in -Service,

At the outset I congratulate DG Manish Sharda on assuming responsibility to lead this district 3100.

Friends, most of us might not have even heard of a calamity or a disaster as has befallen the World these days. Even as the challenge continues, we have to adapt to 'New Normals' & a newer way of life. Be quick to grab these changes and start practicing them in your households, workplaces and in your community.

If one survives the current medical catastrophe, it is the biggest lottery he would have ever won. Remember, God brought us this far, not to abandon us now. Have faith and keep learning and practicing the newer things that Covid 19 has brought to the fore. Upgrade yourself, your family and your community in technology, management, handling challenges, cuisines, and all that is thinkable of and you would soon witness a 'new you'.

India is blessed with a lot of youth. Rotary's programmes for young leaders extend our ideals of service, friendship, and leadership development beyond the doors of our clubs to hundreds of thousands of young people each year. And when we serve with and for those young people-as sponsors, project partners, and mentors-it brings out the best in us and it brings out the best in Rotary.

One of the very versatile programme of Rotary is "Youth Exchange". For years now, our district has not been a part of this program and we must now begin to enjoy it. As a TRF Alumni, I often meet people of all ages whose lives have been changed by our Youth programmes. Their eyes light up when they talk about how New Generations Service Exchange helped them advance in their career, or about how membership in Rotaract first ignited their passion for giving back to the community.

Get in touch with real life poverty and hunger and you shall instantly find a

worthwhile project. The true life story must touch you in many ways and Rotary clubs must continuously partner with the youth in all phases of humanitarian action because the future generation is an important stakeholder in the growth of Rotary and the country. It's an investment in their future and in the world they will live in, after we're gone. And it's this work that will forever enrich their lives, and our own, though for different reasons. Another appeal I would make is to invite eligible women to be Rotary members. It will certainly add more vision to any club in particular and to Rotary movement in general.

My friends, the current opportunity shall not repeat itself again. Ensure that your drive and passion for Rotary Service, defines your character, now on. Work endlessly and untiringly towards your club goals as though this is the last opportunity as happens when writing the last question of any exam paper. Led by our DG Manish Sharda, who has already appointed a very dedicated team which can deliver, let all of us be on the lookout to opportunities for our brethren.

I wish the Rotary Year 20-21 every success it can fathom.

Believe in yourself and now that we saw 'Rotary Connecting The World', it is time to witness and experience that "Rotary Opens Opportunities.

Best Regards,

Dear Fellow Rotarians,

I take this opportunity to congratulate the District Governor Manish Sharda and his immaculate team for the successful publication of the District Directory, which is one of the most important publications for all the Rotarians of the district. I am sure this shall meet all the criteria's as a useful resource for us Rotarians to stay in touch, network well and also be informative about the District events and Projects.

Sudha and I would also like to thank each and every one of you for standing by us and for showering your unconditional love and trust on us.

Friends, the world today is not the same as it was when Rotary was founded. The pace of change

has accelerated and technology has created new opportunities of connection and service. The pandemic the entire world is facing has also changed the way we are working.

Rotary sets an example that what ever come may the wheel of rotary keeps moving and that has been made possible by individual Rotarians who are working diligently throughout.

Manish and his team have made it possible for us to stay connected and keep the good work going on digital platform. These are testing times and we need to keep our morale high and work for the betterment of our community.

The RI President Holger Knaack's theme for 2020-21, Rotary Opens Opportunities, asks Rotarians to create opportunities that strengthen their leadership, help put service ideas into action, and improve the lives of those in need.

So, lets seek opportunities to create a more positive impact in the community. Let's put our heads together and work with our adaptive and efficient DG Manish ji and his team and be the change we want to see. I am confident that we shall meet the objectives of the year with great success and create milestones.

All the Best!

Friends! Many of us have gone through many hardships in career since childhood and all of us would know how difficult it was to own conveniences for self even in developed countries. What we enjoy today was sometimes a distant dream and many times a dream never fulfilled. Gradually favorable circumstances, helping-people - organizations began to step in who contributed a lot in our well being and helped to lead us to present status and are still extending their efforts for our well being. Society is an array of different factors that interact with us and our fundamental concern with them in our individual and community lives would go a long way in making the world a better place we so passionately dream of.

I urge every Rotarian to draw maximum advantage of the new theme 'ROTARY OPENS OPPORTUNITIES' under dynamic new leadership of DGE Rtn. Manish Sharda and remember all that we send into the lives of others comes back into our own. At the end of life we will not be judged by the decorations we received, how much money we made, how many achievements we accomplished. We will be judged by "I was hungry and you gave me something to eat, I was naked and you clothed me, I was homeless and you took me in".

I have full concern that new team of our District is taking charge at a time when we can't meet in person due to spread of Corona19 pandemic and execution of service tasks will be very challenging. But DGE Rtn. Manish Sharda has taken it as a call to engage in fight against it. Virtual meetings held by him time to time have begun shaping the ideas of new team for 2020-21 into actions and I submit great ovation to the cadre aiding to his enthusiasm.

We all are the pillars of Rotary, so it's for us to grab the opportunities the Rotary has opened. I along with Anne Shikha Singhal pray the Almighty to shower his all benedictions on all your family members.

प्रिय मनीष जी

आपको मण्डल 3100 का नेतृत्व करने का सौभाग्य प्राप्त हो रहा है। मण्डल 3100 का मण्डलाध्यक्ष होना स्वयं में गौरव का विषय है परन्तु अपने कार्यकाल में अपनी योग्यता सिद्ध करना आपका उत्तरदायित्व होगा। रोटरी अन्तर्राष्ट्रीय प्रधान होल्गार नैक ने कुछ लक्ष्य निर्धारित किये हैं और उन्होंने अपनी चिन्ता भी व्यक्त की है कि रोटरी दिन प्रतिदिन वृद्ध होती जा रही है जिसको युवा बनाना विश्व के सम्पूर्ण नेतृत्व का कर्तव्य बना जाता है जिसमें आप भी सम्मिलित हैं।

रोटरी की सदस्य संख्या में स्थायित्व आ गया है और अनेकों प्रयासों के पश्चात् भी सकारात्मक वृद्धि नहीं हो पा रही है। इसलिये अब समय आ गया है कि इसमें वृद्धि के लिये रोटरी को सेवा भाव से आकर्षक बनाया जाये जिससे स्वीकार्य व्यक्ति इससे स्वयं जुड़े। भारत एक युवा राष्ट्र है एवं भारत की संस्कृति समाज सेवा से ओत प्रोत है। अपने कार्यकाल में आपसे आशा है कि आप युवा रोटेरियन्स के नये क्लब खोलेगें एवम् रोटरी संस्कृति का संदेश अपने कौशल से उनको प्रदान करेंगें।

मण्डल 3100 अपने रोटैक्ट के लिये प्रसिद्ध था अब उसमें कुछ शिथिलता देखने को मिल रही है इसे पुनः सँ य करने की आवश्यकता है। आप एक निष्ठावान रोटेरियन हैं और तथा आपसे आशा है कि अपने कार्यकाल में आप कभी भी एक क्षण के लिये भी रोटरी गरिमा का र्ँस नहीं होने देंगें।

मैं आपको आश्वासन देता हूँ कि रोटरी के उत्थान के लिये आप मुझे हर समय अपने निकट पायेगें और जब कभी भी आपको मेरी आवश्यकता होगी मैं सदैव रोटरी सेवा के लिये तत्पर रहूँगा।

धन्यवाद!

My Greetings to Governor Rtn. Manish Sharda, that he launches the year 2020-21 and brings out the directory for the RI District - 3100. Governor Rtn. Manish Sharda is the member of my home club R C Meerut Mahan and is personally known to me from the day he joined the Rotary and he is just like a younger brother for me. Rtn. Manish Sharda is a very dynamic and hardworking Rotarian from the very beginning. Although he is going to serve as Rotary Governor in a very adverse circumstances of COVID-19, but I hope his year will be a memorable Rotary year. I am happy to know that PP Rtn. Nitin Agarwal From R C Chandausi Royals is the editor of the said Directory. Rtn. Nitin Agarwal is a very knowledgeable and dynamic Rotarian.

What is the value of a district directory? I suppose it is as good as the purpose it can serve to the reader and the organization. I, therefore, feel that a district directory can be an excellent tool for enhancement of communication and increased activities in pursuance of the Rotary objectives. It helps in networking of the Rotarians in their work and also facilitates the enhancement of human interaction.

The directory contains useful profiles of personalities of Rotarians who have voluntarily accepted the responsibilities at district or club level. Rotary is a worldwide fellowship for the promotion of international goodwill and understanding. Let us never forget that, "These words are alive today more than ever."

The world is constantly changing and the Rotary must be prepared to change with it. Change is why we are here and what we strive for. We see the world not as it is, but as it might be and be believed, as Mahatma Gandhi said, that we must be the change we wish to see in the world.

My very best wishes to the Governor Rtn. Manish Sharda and his dynamic team and to the Rotarians of District - 3100.

The Rotary district directory is, and will always be, a healthy blend of vision as well as collected data of the rotary District. It is a document of a vision statement of the motivated District Governor and his team about Rotary aspirations as well as a chart of course to be formed during the Rotary year.

Needless to say, it is a herculean task to sift through the collecting, editing and presenting the data in a printed form as a Diary of the Rotary District. This serves as a handbook to all the Rotary clubs in the District offering Rotary information which are very essential to keep moving further in the road of Rotary progress.

This Rotary District Directory of 2020-21 is a store-house of Rotary information useful in discharging the responsibilities of the clubs, of the Rotarians and of the District office bearers. It is a living link between the District Governor and the clubs, among clubs and with other Districts.

A sincere effort has been made by the editor to collate the data collected to make them as accurate as possible, and where ever necessary the information has been made explicit so that the Directory becomes creditworthy.

I congratulate District Governor and the editor for completing this herculean task.

Corporate Social Responsibility (CSR) is a concept that suggests that it is the responsibility of the corporations operating within society to contribute towards economic, social and environmental development that creates positive impact on society at large. Although there is no fixed definition, however the concept revolves around that fact the corporations need to focus beyond earning just profits.

“Sustain ability, social equality and the environment are now business problems. And corporate leaders can’t depend on governments to solve them...” – Peter Senge, Founder, Society for Organizational Learning.

Rotary and Corporate Social Responsibility (CSR) Initiative- Given Rotary's profile and humanitarian efforts throughout India, there are significant opportunities to expand Rotary's donor base and program support through CSR funds. DISEASE PREVENTION & TREATMENT

Rotary is dedicated to six areas of focus to build international relationships, improve lives, and create a better world. Through global grants, awarded by The Rotary Foundation, clubs and districts participate in strategically focused, high-impact activities in these areas.

For disease prevention and treatment, the goals are:

1. Improve the capacity of local health care professionals
2. Promote disease prevention programs, with the goal of limiting the spread of communicable diseases and reducing the incidences of non-communicable diseases and their complications
3. Enhance local communities' health infrastructure
4. Educate and mobilize communities to help prevent the spread of major diseases
5. Prevent physical disability resulting from disease or injury
6. Support studies for career-minded professionals related to disease prevention and treatment Use this document as a guide when applying for a global grant. You'll learn how to make your projects sustainable, what information is required for specific project types, and where to find additional resources.

A. Elements of sustainability-

Sustainability means different things to different organizations. For Rotary, sustainability means providing longterm solutions to community needs that the beneficiaries can maintain after grant funding ends. Pay careful attention to the following items to ensure your project's long-term sustainability and increase the likelihood of being approved for global grant funding.

1. COMMUNITY ASSESSMENT

Community assessments identify where support is most needed, and the role Rotarians can play in making a difference. Project sponsors (often with a cooperating organization) need to conduct a community assessment before submitting their application. An assessment can reveal a community's strengths and weaknesses and help you work on solutions. If an assessment has already been done, use the relevant data to design your project.

2. MATERIALS AND TECHNOLOGY

Purchase equipment and new technology from local sources, when possible. Make sure replacement parts are readily available. Involve community members and beneficiary institutions when selecting technology or equipment, and train them to operate, maintain, and repair it on their own.

3. FINANCIAL PLANNING

Confirm that local funding sources are available for the long-term operation, maintenance, training, and replacement costs of equipment. If appropriate, compensate project participants for their work to ensure continuity of services.

4. TRAINING AND EDUCATION

Provide training, education, and community outreach to project beneficiaries or service providers and technicians. Work with local government, private and public agencies, and organizations to supply expertise, as needed.

5. MONITORING AND EVALUATION

Often, the cooperating organization or government health agency will lead monitoring and evaluation efforts, collecting data and sharing their reports and findings with Rotarians. Project reporting should include clear and measurable goals and identify methods for collecting data. Sponsoring districts and clubs should help collect this data from the source (such as a cooperating organization or government agency) and keep this information with their financial records and other required documentation. Submit monitoring and evaluation information to the Foundation along with the final report.

B. Project types:-

Global grants commonly fund the following types of disease prevention and treatment projects. For each project type explained in detail below, pay close attention to the eligibility requirements and the information that needs to be submitted with your application.

1. MEDICAL EQUIPMENT PROJECTS
2. MEDICAL DEVICES

DISEASE PREVENTION & TREATMENT

3. WHEELCHAIR PROJECTS
4. NON-COMMUNICABLE DISEASES
5. DISABILITY AND DISORDER-RELATED PROJECTS
6. VISION AND EYE CARE PROJECTS
7. SPECTRUM DISORDER PROJECTS (AUTISM, ASPERGER'S SYNDROME, ETC.)
8. MENTAL HEALTH AND SUBSTANCE ABUSE PROJECTS
9. PALLIATIVE AND HOSPICE CARE PROJECTS
10. HEALTH FAIRS AND GENERAL HEALTH SCREENINGS
11. MEDICAL SUPPLIES, FACILITY FURNITURE, DISPOSABLES, AND SHORT SHELF-LIFE ITEMS
12. MOBILE HEALTH VEHICLES AND CLINICS
13. HEALTH CARE WORKER TRAINING
14. LIFESAVING AND CONGENITAL CORRECTIVE SURGERIES
15. PREVENTION AND TREATMENT OF COMMUNICABLE DISEASES
16. PROJECT TYPES THAT HAVE SPECIAL CONSIDERATION FOR ELIGIBILITY

C. Resources:-

One of the best resources available to grant applicants is the Rotary grants staff. In addition to their professional expertise and education, grants staff members draw on The Rotary Foundation's long experience in funding effective projects to make sure your global grant projects are eligible for funding. You can also find information to help you plan for your disease prevention and treatment global grant in the following resources:

The Mission of The Rotary Foundation is to enable rotary members to advance world understanding, goodwill, and peace through the improvement of health, the support of education, and the alleviation of poverty.

The Foundation is a not-for-profit corporation supported solely by voluntary contributions from rotary members and friends of the foundation who share its vision of a better world. This support is essential to make possible projects, funded with foundation grants, that bring sustainable improvement to communities in need.

The History of The Rotary Foundation -

At the 1917 convention, outgoing R.I. President Arch C. Klumph proposed to set up an endowment "for the purpose of doing good in the world." In 1928, it was renamed "The Rotary Foundation" and it became a distinct entity within Rotary International.

Growth of Foundation -

In 1929, the Foundation made its first gift of \$500 to the International Society for Crippled Children. The organization, created by Rotarian Edgar F. "Daddy" Allen, later grew into Easter Seals.

When Rotary Founder Paul Harris died in 1947 contributions began pouring in to Rotary International, and the Paul Harris Memorial was created to build the Foundation.

EVOLUTION OF FOUNDATION PROGRAMMES

1947	The Foundation established its first programme, Fellowship for Advance Study, later known as Ambassadorial Scholarships.
1965-66	Three programmes were launched : Group Study Exchange, Awards for Technical Training, and Grants for Activities in Keeping with the Objective of The Rotary Foundation, which was later called Matching Grants.
1978	Rotary introduced the Health, Hunger and Humanity (3-H) Grants. The first 3-H Grant funded a project to immunize 6 million Philippine children against polio.
1985	The Polio Plus programme was launched to eradicate polio worldwide.
1987-88	The first peace forums were held, leading to Rotary Peace Fellowships.
2013	New district, global, and packaged grants enable Rotarians around the world to respond to the world's greatest needs.

Since the first donation of \$26.5 in 1917, the Foundation has received contributions totalling approx \$2 billion.

Rotary Peace Fellowships

Rotary Peace Fellowships enable individuals to pursue a graduate degree in international relation, peace, conflict resolution, and related subject, or a professional development certificate in peace and conflict studies at one of the six rotary peace center. The Rotary Peace Fellowship is designed for professionals who have already worked in careers related to international relation or peace and conflict resolution and who are committed to community or international humanitarian service and working for peace.

The fellowship is not intended for recent college graduates with little to no relevant professional experience.

The Rotary peace center's mission is to promote world peace by educating and empowering peace-builders through rigorous academic training, applied field experience, and global networking opportunities. Each year, up to 100 Rotary Peace Fellow are selected to receive full funding to earn either a professional development certificate in peace and conflict studies or a master's degree in any of a range of disciplines related to peace and security. Through this program, Rotary peace Fellow develop the skills they need to serve as leader and catalysts for peace and conflict resolution both in their local communities and around the globe.

TRF I NTRODUCTION

Grants

Rotary Foundation grants support Rotarians' efforts to change lives and serve communities.

District Grants

District grants are block grants that enable clubs and districts to address immediate needs in their communities and abroad. Districts may request up to 50 percent of their District Designated Fund for one grant annually. Districts manage and disburse these funds to support district and club sponsored activities, including vocational training teams, scholarships, humanitarian service projects, and cultural exchanges, provided they are aligned with the Foundation's mission.

Global Grants

Global grants offer clubs and districts opportunities to participate in strategically focused, high-impact activities. These grants fund large scale international humanitarian projects, vocational training teams, and scholarships that have sustainable, measurable outcomes in one or more of Rotary's areas of focus. Activation may be carried out individually or in combination—for example, one grant may support a vocational training team and a related humanitarian project.

Global grant projects must have a minimum total budget of \$30,000.

This includes the World Fund award, which is based on a 100 percent match of District Designated Fund allocations or a 50 percent match of cash contributions from the sponsors. All global grants must be sponsored by two clubs or districts: a host partner in the country where the activity takes place and an international partner outside that country.

When planning a global grant project, sponsors should conduct a thorough needs assessment that explores the pressing concerns in the project location as well as the club and community resources available to address them.

Packaged Grants

Packaged grants support pre-designed projects developed by the Foundation and its strategic partners, which are organizations that work in one or more of Rotary's areas of focus and can offer financial support, technical expertise, or advocacy. The Foundation and the strategic partner provide 100 percent of the funding; Rotarians implement the grant project. Details about packaged grant options and current strategic partners are available at www.rotary.org.

TRF R ECOGNITIONS

The Rotary Foundation show its appreciation to individuals and clubs for personal outright contributions supporting its humanitarian and educational activities.

The objective of **Rotary India Literacy Mission (RILM)**, formerly known as Rotary South Asia Society for Development and Cooperation (RSAS) is **Total literacy and Quality Education in India**. To achieve that, RILM have designed a comprehensive program called "**T-E-A-C-H**", where **T** stands for Teacher Support, **E** for E-learning, **A** for Adult Literacy, **C** for Child Development and **H** for Happy Schools.

- **Teacher Support** program aims is to improve the professional abilities and performances of teachers through training on classroom management, recognition of outstanding teachers through Nation Builder Award and supplementing the efforts of teachers through organizing engagement of volunteer teachers in schools.
- **E-learning** aims to improve the quality of teaching and learning experience through the use of curriculum based audio visual modules in local languages. It is a single classroom installation through an integrated solution of hardware and software.
- **Adult Literacy** program seeks to impart functional literacy skills to non-literate adults (15+ ages); for this purpose RILM have designed a set of primers. To achieve the goal of educating illiterate person's students of class VIII onwards were used as volunteers on a one-to-one teaching program. Along with the literacy program skill development related trainings are also organized through various resource organizations for capacity building of the underprivileged section of the population.
- **Child Development** program is also known as AshaKiran ...a ray of hope is to bring /send out of school children back to schools. The program is currently being implemented in 14 states of India in partnership with 33 Non-Government Organizations.
- **Happy School** program is about improvement / upgrading specific infrastructural facilities of Government / Government-aided primary and elementary schools to create a joyful teaching learning experience for both students and teachers.

Each of these programs has a specific focus and is interlinked with each other in achieving the common goal of bringing total literacy and improving the learning outcomes of primary education, in various parts of the country.

BACKGROUND

At the end of the Future Vision pilot, the Trustees of The Rotary Foundation approved a comprehensive evaluation of the grant model to begin three years after the global launch of the new model and every three years after that. The purpose is to assess how satisfied Rotarians are with the new model, gauge their agreement with and understanding of the six areas of focus, and assess the sustainability of global grant projects. The evaluation also serves to review issues that arose during the pilot and the first years of global launch of the new grant model.

The Rotary Foundation Cadre of Technical Advisers and Secretariat staff members conducted the evaluation. The Cadre's technical expertise allowed us, for the first time, to complete a grant evaluation without external consultants.

The evaluation included survey responses from nearly 2,800 people representing 128 countries. Some 138 Rotarians with a range of involvement in Rotary grants shared their experience and perspectives through global focus groups. Cadre members visited 59 sites to review projects' sustainability and 38 sites to gather feedback from people who benefited from the projects.

The collection of qualitative and quantitative data from surveys and focus groups began in July 2018; sustainability site visits were conducted in 2016-17, 2017-18, and the first half of 2018-19. Where it was possible, data was collected to compare with the 2015-16 grant model evaluation.

THE EVALUATION EXAMINED:

- ❖ Rotarian satisfaction with the grant model
- ❖ Rotarian agreement with the six areas of focus
- ❖ Rotarian understanding of the area of focus eligibility requirements
- ❖ Sustainability of global grant projects in the areas of focus, including feedback from beneficiaries

The findings of the grant model evaluation were shared with the Area of Focus Review Committee in March 2019, and with the Programs Committee and the Trustees in April 2019.

KEY FINDINGS :-

ROTARIAN SATISFACTION :-

- ❖ Since the launch, the number of approved global grants has risen 50 percent, the average global grant award amount has risen 21 percent, and the average district

grant award amount has risen 16 percent.

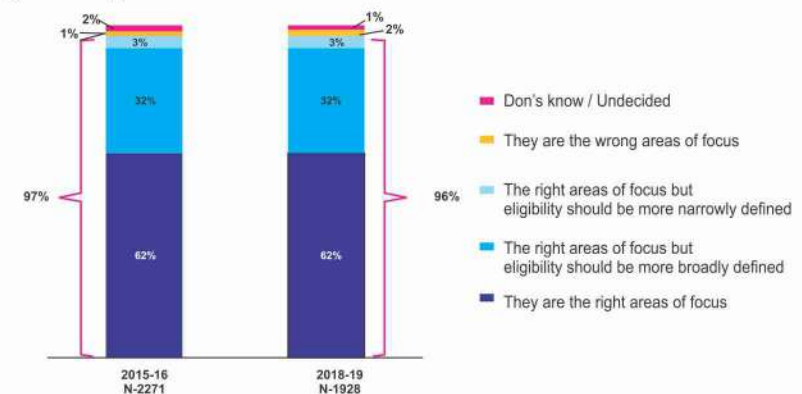

- ❖ Disease prevention and treatment is the most common area of focus for global grants.
- ❖ 93 percent of global grant sponsor survey respondents agree with the statement: "The current grant model is an improvement over the former model." This indicates that Rotarian satisfaction has risen back to the level it was during the Future Vision pilot. Many Rotarians were optimistic about the grant model when it launched in 2013-14, and their satisfaction dropped slightly in the early years when they had to actually adjust to the new model. Now that Rotarians have several years of experience with it, their satisfaction with the current grant model is back to where it was originally.

SUSTAINABILITY :-

- ❖ The evaluation assessed the potential for global grant projects to produce sustainable outcomes for the beneficiaries.
- ❖ 73 percent of grant sponsor survey respondents felt it was very important that Rotary be able to communicate about the sustainability of its projects.
- ❖ 62 percent of grant sponsor survey respondents felt they were well-prepared to implement sustainability requirements, and 60 percent felt the requirements were clear. Yet only 29 percent felt it was easy to incorporate sustainable elements into their project design.

AREAS OF FOCUS :-

- ❖ 96 percent of global grant sponsor survey respondents agree that Rotary is working in the right areas of focus.

- ❖ Of those Rotarians who agree that the six areas of focus are right for Rotary, 32 percent feel the areas of focus should be defined more broadly, and 2 percent feel they should be defined more narrowly.
- ❖ Although the concept of adding the environment as an area of focus was not directly studied, feedback from surveys and focus groups revealed significant interest in this area, particularly among Rotaractors and alumni.

MONITORING AND EVALUATION

- ❖ Many Rotarians understand the importance of monitoring and evaluation (M&E) when implementing projects but still find it difficult to **implement M&E in practical terms.**
- ❖ Cadre observations of monitoring and evaluation systems in Level II (World Fund match over \$50,000) and Level III (World Fund match over \$100,000) projects show how a lack of useful monitoring and evaluation can hurt the ability to implement a project successfully.

BASIC EDUCATION AND LITERACY

- ❖ Basic education and literacy ranks as the priority cause to support among Rotarians, Rotaractors, Alumni and non-Rotarians.
- ❖ The basic education and literacy sustainability score was the lowest of all areas of focus. The strong focus on technology, training, and purchasing equipment may be a factor.

DISEASE PREVENTION AND TREATMENT

- ❖ Disease prevention and treatment once again has the highest number of global grant approvals and total award amounts each year.
- ❖ Rotarians' interest in disease prevention and treatment goes beyond global grants – this area also has the highest number of Rotarian Action Groups of any area of focus.

ECONOMIC AND COMMUNITY DEVELOPMENT (NOW COMMUNITY ECONOMIC DEVELOPMENT)

- ❖ Community economic development is the No. 2 preferred cause to support among Rotarians, Rotaractors, and non-Rotarians.
- ❖ Sustainability scores for community economic development projects increased slightly from 2015-16, and were higher than the overall average for all grants.

MATERNAL AND CHILD HEALTH

- ❖ The goals and parameters of maternal and child health work are clear to Rotarians, who understand how to create eligible projects in this area of focus.
- ❖ Maternal and child health shows a significant percentage of vocational training team activity, higher than any other area of focus.

PEACE AND CONFLICT PREVENTION/RESOLUTION (NOW PEACEBUILDING AND CONFLICT PREVENTION)

- ❖ Peacebuilding and conflict prevention remains the lowest in terms of grant activity. Scholarships comprise most of the activity.
- ❖ Survey data suggests that many Rotarians are unsure of how to design and implement a peacebuilding and conflict prevention project.

WATER AND SANITATION (NOW WATER, SANITATION, AND HYGIENE)

- ❖ Grant activity shows Rotarian strengths in certain kinds of projects, such as water supply and WASH in Schools.
- ❖ The interim monitor reports (from site visits the Cadre conducted midway through the implementation of a project) noted that water, sanitation, and hygiene projects that contained a water supply component also included elements that enhanced and increased sustainability.

VOCATIONAL TRAINING TEAMS

- ❖ Survey respondents felt very comfortable with designing a vocational training team (93 percent) and aligning it with an area of focus (92 percent).
- ❖ 70 percent of survey respondents indicated that it was easy or moderately easy to organize a vocational training team, and 66 percent felt it was easy or moderately easy to develop a plan that aligned with the host community's needs. Both represent a large increase over 2015-16.

ACTIONS TAKEN

- ❖ The Trustees approved retaining the existing six areas of focus.
- ❖ The [Area of Focus Policy Statements](#) were updated so that most areas include projects designed to protect the environment.
- ❖ The Trustees agreed that the grant model evaluation will now be conducted every five years with interim reports to the Foundation's Programs Committee. During the first year of the new evaluation cycle, the Research and Evaluation

INTRODUCTION TO ROTARY YOUTH EXCHANGE

Rotary clubs channel their commitment to service at home and a broad through five Avenues of Service, which are the foundation for club activity. Youth Service, one of the five, recognizes the importance of empowering youth through leadership development programs. Rotary Youth Exchange is one of many youth leadership development programs offered by Rotary.

Living in a foreign country is a powerful way to gain global understanding and promote peace. Through Youth Exchange, students learn a new language, discover different cultures and customs and make friendships that last a lifetime.

The objectives of the Rotary Youth Exchange program include:

- ❖ Instilling international understanding and goodwill in students
- ❖ Creating positive change by empowering youth
- ❖ Making lasting connections for host clubs, host families, communities and the students involved

Rotary districts administer the Youth Exchange program in collaboration with local Rotary clubs. A Rotary district is a group of Rotary clubs in a specific area or region. Rotary has approximately 530 districts worldwide. Unlike many exchange programs, Rotary Youth Exchange is managed by volunteers, resulting in relatively low administrative costs and a strong support network of engaged Rotarians. Rotary's youth protection policies and district Youth Exchange certification program ensure

that the safety of our youth is the highest priority.

TYPES OF EXCHANGES -

Rotary districts can choose to conduct long-term exchanges, short-term exchanges, or both. Exchanges are typically open to students ages 15 to 19, but districts determine the exact age ranges. Flexibility in the Youth Exchange program allows it to be adapted to fit the needs of any student who qualifies.

Long-Term exchanges usually last one academic year, during which the student lives with multiple families in the host country and is required to attend school.

Short-term exchanges last from a few days to several months, often take place when school is not in session and vary widely among districts. Participants typically stay with a local family in the host country, but they might also attend a youth camp or tour the country with students from around the world.

Both programs need to meet the certification requirements. Most of the information in this handbook applies to the long-term exchange program which has additional program elements.

HOW WE DID IT

We rewrote our values statement.

The updated language — which calls us “a service club of inspired individuals whose contributions improve lives in communities locally and worldwide”— unified our members, inspired prospective members, and generated interest in our community work.

We introduced creative meeting formats. Our club provides innovative and flexible, cost-free meeting options.

Speed networking. This helps our members build relationships and rapport.

Service first Thursdays. On the first Thursday of each month, we meet at the public library to clean books and prepare and inventory multimedia materials.

1905 meetings. Our 1905 meetings honor the early days of Rotary tradition. Like the first Rotarians, we meet in small groups. Members can participate remotely by meeting at designated location closer to their workplaces. We use Facebook Live to tune in simultaneously to our club president for the first half of the meeting. For the second half, we break into small groups to discuss a video presentation on the theme of the month.

The varied formats increased member engagement in away that wasn't possible with traditional meetings alone. Even former Rotarians started to re-engage. While our weekly attendance may be around 60 members per meeting, our real-time Facebook Live videos that broadcast our 1905 meetings and traditional meetings have generated over a thousand views.

Our experience has taught us that it is possible to make changes in the spirit or innovation and flexibility yet maintain Rotary values. We discovered that there are many fun ways to serve and promote fellowship with Rotarians.

We relaxed attendance guidelines.

While we are committed to making our meeting more accessible to working members, we also wanted to continue regular meeting, because they foster the fellowship and camaraderie that our member enjoy. We revised guidelines to require only 50 percent attendance at the weekly meetings. Missed meetings can be made up at other Rotary meetings or by participation in a service activity.

START YOUR CLUB ON A PATH TO VIBRANCY

Vibrant clubs engage their members, conduct meaningful projects, and try new ideas. List the new ideas club wants to try, and create a plan to increase community interest and attract more members.

As you develop your plan, use these and ideas, and let your club evolve.

Decide what you'd like your club to be like in three to five years.

- Plan an annual visioning session, and use the **Rotary Club Check** to identify your club's strengths and areas that need improvement.
- Use the **Strategic Planning Guide** to set long-term goals.

Decide on your annual goals, and enter them into Rotary Club Central.

- Focus on something your club is good at, and make it something your club is great at.

Hold club meetings that keep members engaged and informed.

- Conduct the **Member Satisfaction Survey** to find out what your members like and don't like about your club, and create a plan for implementing changes.
- **Vary your meeting format** to include a mix of traditional and online meeting, service projects, and social gatherings.

Communicate openly in your club.

- Share information at club meetings, on your club website and through social media, and check regularly to see how members are feeling.
- Use the templates and resources in the **Rotary Brand**

Prepare members for future roles to smooth leadership transitions.

- Ensure continuity by making appointments for multiple years, having a current, incoming and past chair on each committee.
- Conduct on-the-job training for incoming club officers,

Adapt your club's bylaws to reflect the way the club works.

- Involve your members when you club's bylaws every year.
- Edit the **Recommended Rotary Club Bylaws** template to reflect new practices and procedures.

Develop strong relationships within your club.

- Find suggestions in **Introducing New Members to Rotary**.
- Sit with different people at each meeting.

Make sure all members are involved in activities that genuinely interest them.

- Conduct a member-interest survey, and use the results to plan projects, activities and engaging meetings.
- Get new members involved early by learning their interests and giving them a role in the club.

Coach new and continuing members in leading.

- Appoint a club training committee to oversee training for members.

STEP RIGHT UP

In Rotary's membership game, everyone's a winner

By **Geoffrey Johnson** Illustrations by **Rocco Baviera**

When it comes to finding new members for his Minnesota Rotary club, Tom Gump doesn't just walk the walk, he trots the trot: the turkey trot. Gump is a former president of the Rotary Club of Edina/Morningside, which makes boosting membership a priority. In fact, that's the fourth item on a list of 10 tips to attract and retain members which has been prepared – and practiced – by the club. It's tip No. 10 that finds Gump clad in a turkey suit. More on that shortly.

The tips work: During Gump's 2016–17 stint as club president, Edina/Morningside added 31 members. Eleven of them were women; 10 were under 40 years old. With 94 members, the club “went from being classified as a medium-size club to being one of District 5950's large clubs,” says Gump, who will be

the 2020–21 district governor. “There were 13 clubs larger than our club in our district, and now there are only four.”

The tips have proven so effective that Gump has taken the Edina/Morningside show on the road, using a PowerPoint presentation to coach other clubs on specific ways they can expand their membership. “I have been called a good salesman,” says Gump (who, for the record, is a real estate lawyer and a developer). “But to me, recruiting new Rotary members is not really selling. It's matching up potential members with what he or she wants in a club.”

So if you're looking to add members to your club, consider taking a page from the Edina/Morningside playbook. Read on for the club's 10 tips, as well as five suggestions for increasing membership from other Rotarians and Rotary clubs.

MEMBERSHIP GROWTH PLAN

Create a list of all the great things about your club

List your star members, the advantages of your meeting location, how many members you have, the kinds of projects and events you host, and so on. The list can serve as a template when sending an email or letter to a potential member. Make sure to tailor any correspondence so it addresses the specific interests and wants of any potential member. For instance, if someone is interested in international work, your email or letter should focus on that.

Keep a list of potential members

It doesn't matter if it's a paper list or if it's kept on the desktop of your computer. Either way, it makes you think about those people who might be a fit for your club. Discuss the list at board meetings – not just the concept of bringing in new members, but the specific names and who's going to contact them and when. And don't overlook some obvious suspects, such as members' spouses, Youth Exchange host parents – “they already have a taste of what Rotary is about” – and even former members. “We had two founding members rejoin recently,” Gump says. “Sometimes people need to leave for a reason and then later they have more time and just have to be asked to come back.”

Know your club's strengths

Most things are strengths if you target the right audience. If you meet in the morning, you're probably a good fit for someone working 9 to 5. Meet at noon and you're more likely to appeal to retirees or parents of schoolchildren. “Not every club is right for every potential member,” Gump says. “If someone doesn't fit your format, recommend them to another club.” Keep in mind that the point is not just growing your club, but boosting Rotary's capacity to make a difference in communities around the world. And with any luck, that other club will send you a potential member one day. Gump points to one member who joined his club last year after a recommendation from the Rotary Club of Edina, which typically meets middays. “Morning meetings worked better for him than noon meetings,” Gump says. “He has already become a Paul Harris Society member, leads our beer tasting committee, and

led our 100th anniversary celebration for The Rotary Foundation.”

Make membership growth your club's top priority -

and make sure every member understands that. “I always tell presidents and presidents-elect that the best way to make their year as president easier is to bring in more members,” says Gump. New members bring new energy to a club, he explains, and mean more people to serve on committees, work on projects and events, and raise money for the Foundation.

Look to young Rotarians for fresh perspectives-

Want some suggestions about attracting younger members? Look at what's going on at the Roc City Rotary Club in Rochester, New York. “We are the next generation of Rotary,” proclaims its website. “The baton has been passed. It's now our turn.”

Chartered in February (and a provisional club since June 2016), Roc City targets recent college graduates and young professionals by keeping dues low (\$120 annually) and meetings infrequent. “We meet once a month and have a solid turnout at every meeting,” says Kristina Chartrand, who co-founded the club with her longtime friend Kelsey Christiansen (they met in 2005 as Interactors while in high school). “We want the game changers and move makers, people who are busy and thriving in their everyday lives. We attract young people who want to get involved but crave flexibility.”

At press time, the club had 24 members, aged 21 to 33, as well as 20-plus “Friends of Roc City.” Members are recruited through word of mouth and social media; it helps that Roc City convenes during happy hour at a local pub. “So many people see us and what we're doing and just stop by,” Chartrand says. The club plans service projects three months in advance so members can plan ahead, and it regularly schedules speakers for its Adulting 101 series (topics have included “Paying Off Debt” and “How to Buy a House”). “We want this to be something club members look forward to every month” – for years to come.

Appeal to local volunteers -

In fall 2014, the Rotary Club of Evanston, Illinois, held its inaugural “Heads Up, Evanston!” an event that's equal parts community outreach, game show, and, as one member puts it, “organizational speed dating.”

“We encourage participants to connect with each other during and after the meeting and find new ways to collaborate and partner based on what they have heard

MEMBERSHIP GROWTH PLAN

each other say,” explains Past Club President Paul Larson. “We follow up by sending all participants a PDF with everyone's contact information as an added convenience.”

The participants in this service-oriented dating game are local not-for-profit organizations, about 25 per annual session. Representatives from each organization get exactly two minutes to, as Larson puts it, “give a commercial or news item about themselves.” The time limit is rigidly enforced, albeit in a lighthearted manner. Talk too long and speakers are cut off by a “cheesy disco song from the '70s,” Larson says. “This makes it fun since people do their best to finish before the dreaded sounds of an old Bee Gees tune or the theme from Rocky tells them time is up.” Finish your “commercial” in 90 seconds or less and the Rotary bell rings, meaning the speaker gets invited back for a free lunch with the club and another opportunity to speak. The “Heads Up” gathering includes a modestly priced lunch – which “organizations are happy to pay,” says Larson – and post-gathering mingling around tables laden with promotional materials.

“While the event definitely has the potential to build membership in the long term, we use it strategically as a supplement to more direct recruiting efforts,” Larson says. But, he adds, it's also a way for the club to provide “a service to the community – a way for us to offer unique value as a forum for leaders.” And because the club also presents its own “commercial,” he notes, it's also an opportunity for “awareness building about what Rotary is and what we do.” Sounds like a love connection.

Talk about Rotary wherever you go -

at work, family gatherings, neighborhood get-togethers, parties. You will be amazed how easy it is after you practice awhile. “Getting a lot of 'nos' helped build my confidence, because it didn't hurt as bad as I thought it would,” Gump says. “And most people were happy I asked, even if they did have to decline.” And remember: It's never not a good time to invite a potential member to a meeting. “People say it's a bad time, for example, because it's the holiday season,” says Gump. “Our club recruited and inducted three new members during the holiday season.” Nor is there a bad place to talk about Rotary: Gump landed one new member he met at Chipotle. “You never know where you will meet your next member,” he says. “And if you want younger members, hang out where they hang out.”

Make a list of club members' responsibilities -

It's important to engage with potential members beforehand. They will want to know how they can fit in with your club and what opportunities there are for serving. The list should also include information about dues, attendance guidelines, and other club expectations - and it should emphasize the many benefits that come with being a Rotary member.

Realize there is no finish line-

Even if your club is the optimum size, it's no reason to stop recruiting. There are always reasons people leave. Of the 31 members who joined Edina/Morningside in 2016-17, eight eventually left the club: Three had a job transfer, one had a family issue, and two had conflicts with work. Only two people simply stopped participating. Among those who remained, 10 are now very active in leadership roles, and two are "on the presidential track." What's more, the club added 11 more members between July 2017 and April 2018. "You're either growing or you're dying as a club," Gump says.

Emphasize service -

After attending a Rotary event with her mother, Fiona Bassett decided her town in the north of Wales needed another Rotary club - to complement the three it already had.

To attract new members, the Rotary Club of Wrexham Glyndwr - Wrexham's the town; Owain Glyndwr was a legendary Welsh leader - puts the emphasis on projects rather than meetings.

"We feel that having a meal and weekly meetings puts some people off joining," says Bassett. "As a club, we believe that the money we would spend on food every week could be put to better use."

Members are encouraged to attend one meeting a month, where the mood is informal and parents may bring their children if the sitter's unavailable.

The tech-savvy club relies heavily on social media to promote itself, its projects, and Rotary: One post notched 42,000 views in 24 hours. It collaborates closely with other clubs in the district - the Rotary Club of Wrexham Yale helped Glyndwr get on its feet - and relies on high-wattage events to raise its profile.

"We host a family fun event that's going into its third year," says Bassett. "It

MEMBERSHIP GROWTH PLAN

attracts between 3,000 and 4,000 people, and everything is branded so there's no mistake who's organizing it."

Last December, the club's annual Christmas Lights Switch On drew about 10,000 people, thanks to promotional help from local celebrities, radio hosts, and the town council. "Everyone in Wrexham knows who we are," says Bassett. "We gained six new members from our first Christmas event and three last year" - and the club raised money for End Polio Now and other charities.

Celebrate when you get a new member

"You have to make potential members feel wanted," Gump says. "Our club makes a poster of the individuals after they've been voted in, and we put it in the front of the room at our next meeting. They love it. Some ask if they can take the poster home. One wanted to mail it to his mother." While celebrating new members, don't forget that clubs also stay strong by retaining current members. If you ensure that they are having a good experience and realizing the full value of their membership, the club's current members will be proud to invite a guest to a meeting - and those guests will want to join an attractive and welcoming club.

Be persistent -

At times, it will take more than one or two requests to get someone to attend a meeting. Keep asking. "It took my workout partner two years to convince me to come to a meeting," says Gump, who joined the club in 2013 after attending just one meeting.

Be vibrant -

If Gump's fowl finery is any indication, this is a tip he takes to heart, dignity be damned. "The week before Thanksgiving, I contacted people on my recruitment list and told them I would be wearing a turkey suit to the next meeting and that they should come and see it," he says. "A few took me up on the offer - and some of them joined. It's all about making club meetings and events fun and vibrant. Other simple things we've done is make outrageous centerpieces for our meeting tables. It gets people talking. For example, at Easter we put

baskets in the middle of the tables with plastic eggs, and inside the eggs were blue and gold M&Ms with the Rotary logo on them. At St. Patrick's Day, we had shamrocks with members' pictures on them; same thing at Christmas, but on foil trees. My club is so welcoming, sometimes it just takes getting a potential member to the first meeting and then they join. Balloons, posters, streamers - it all helps. It really does work."

Embrace diversity -

In February, Rotary welcomed its first LGBTQ club, the Rotary Club of San Francisco Castro. The initiative to form the club came from the top down after local Rotary leaders acknowledged that members of the LGBTQ community were underrepresented in District 5150, which encompasses San Francisco and other towns in Northern California.

"We received a ton of support from our district," says the club's founding president, Lisa De Zordo. "It was invaluable." She especially singled out two past district governors - Eric Schmautz ("he planted the seed") and Leah Lambrecht - and lauded her former club, the Rotary Club of South San Francisco. "They were our sponsor club and our cheerleaders," De Zordo says.

From De Zordo's perspective, the formation of the new club recognized what was already a reality: Many members had already been participating in Rotary events and projects. "We did not let not being chartered get in the way of our service," De Zordo says. Now the club is partnering with Larkin Street Youth Services and other local organizations to help at-risk youth, neglected seniors, and the homeless.

De Zordo thinks it's essential that Rotary embrace diversity if it intends to grow. "Rotary has a real opportunity here," she says. "We need to be open and affirming to everyone. If we're interested in bringing peace to the world, that peace has to start with us."

That process is well underway Down Under. According to Steven Aquilina, past president of the Rotary Club of Southbank (in Melbourne), Australia has a well-established LGBTQ Rotary network. And in June, Monica Mulholland completed her term as the first transgender president of the Rotary Club of Queenstown, New Zealand. During her tenure, the club hosted an LGBTQ "information night"; in a letter, then-RI President Ian H.S. Riseley endorsed the event and encouraged other clubs to welcome people of diverse backgrounds.

"At the core of it all is that we're Rotarians who are LGBTQ," De Zordo says. "The focus is always on Rotary."

MEMBERSHIP GROWTH PLAN

Get them in the door -

In April, at his induction ceremony into the Arch Klumph Society, Rustico "Chito" Recto Jr. explained how, almost against his will, he came to join Rotary in 1980 when he was 26 years old. "A close friend of mine had recently joined," Recto explained, "and he attended the Rotary Convention in Chicago, the year Rotary was celebrating its 75th anniversary. Upon coming home to the Philippines, he was so upbeat about Rotary that he practically twisted my arm to attend a meeting."

Initially, as Recto confessed after the ceremony, he did not share his friend's enthusiasm. Not easily deterred, his friend picked him up for a lunch date one day. Unbeknownst to Recto, their destination was a Rotary meeting. "I was a little surprised," he says today, but once introduced to the organization, he was hooked: "I became a member, and from there on, there was no stopping me."

Recto went on to assume a number of leadership positions, including president of the Rotary Club of Lipa South and governor of District 3820 (Philippines). In addition to their generous contributions to The Rotary Foundation, Recto and his wife, Lydia Miral, have been Rotary Youth Exchange hosts, joined the fight to end polio, and helped provide aid to residents of Mindanao after Typhoon Haiyan in 2013, among other endeavors - all because a persistent friend "convinced" Recto to attend his first Rotary meeting.

- ◆ If you make the payment by cheque, please mention your club's name & number and the invoice number on the reverse of it.
- ◆ Mail the bottom portion of the invoice and your cheque to the address on the invoice. Clubs outside India may either make the payment to respective fiscal agent or by online.
- ◆ Find your **Daily Club Balance Report in the Club Finances section of Club Administration. The information in this report is updated regularly and will reflect recent payments and member adjustments.**
- ◆ District governors and assistant governors can also view this report. If You have reported the email addresses of your club officers and/or your club's permanent email address, you will receive an email notification when your invoice is ready to be viewed Online, You will receive the paper invoice If you have not reported club officers' names and email addresses or if you have not opted out of receiving the paper invoice.

Select Edit invoice preferences in the Club Finances section of Club Administration. You can change your delivery option before 1 January or 1 July for

each invoice period.

Your club invoice is calculated by the number of members in Rotary's database on 1 January and 1 July. You should register new members and remove terminated members within 30 days, or by 1 January or 1 July, whichever is sooner.

Membership is calculated based on a member's admission or termination date, and not the date the change was entered. For example, if a club officer removes a member from the club's membership list on 28 December, but enters 27 January for the effective date, that member will still be included on the club's January invoice because they are still an active member on 1 January.

Clubs are billed for all active members as of 1 January and 1 July and are required to pay the amount that appears on the invoice. It is essential to keep your club's member data current so you receive a correct invoice.

You must make updates to your magazine subscription information by 1 January and 1 July.

Report subscription changes (switching from The Rotarian to an approved regional magazine or vice versa, or a change in delivery format. including bulk distribution) to **Data Services at and to the regional magazine's office, if applicable. The subscription 10 the chosen publication will continue for the entire billing period.**

You can update your club membership in Club Administration or email RI Data Services at data@rotary.org.

Club officers can find their official member list by going to the Club Reports section of **Reports.**

Strategic plans are important for Rotary and Rotaract clubs

What you need to do is :

- **Build a team of past , present and incoming club leaders to oversee the plans development and use**
- **Add an unbiased facilitators to run strategic planning meetings**
- **Include a variety of perspectives by involving a diverse range of club members**

See how your clubs goals reflect those of your District and Rotary's Strategic Plan

STRATEGIC PLANNING PROCESS

Identify strategic issues to address	List five to seven characteristics you want your club to have	Set strategic priorities	Monitor progress toward your annual goals

Assess member satisfaction and needs		List the activities, timeline, and resources you'll need	Adjust your action plans

STRATEGIC ISSUES

CLUB STRENGHTS

CLUB WEAKNESS

OPPORTUNITIES FOR THE COMMUNITY

CHALLENGES FACING THE COMMUNITY

PHASE 2 - DEVELOP A VISION: WHAT DO WE WANT OUR CLUB TO BE LIKE?

CLUB CHARACTERISTICS

Rotary's vision statement asks us to " unite and take action to create lasting change." List five to seven characteristics you want your club to have within three to five years that will help realize that vision, e.g. fun, service-oriented, innovative, representative of the community, etc.

CHARACTERISTICS

VISION STATEMENT

A vision statement defines your desired future and provides direction for what you want your club to be. Write a one-sentence vision statement with your strategic planning team using the list of club characteristics as a reference.

Potential questions to consider:

- What will our club look like in three to five years?
- How will we know we've succeeded?
- What do we want to achieve?

VISION STATEMENT

PHASE 3 – MAKE A PLAN: HOW CAN WE ACHIEVE OUR VISION?

STRATEGIC PRIORITIES

Your strategic priorities should help you achieve your vision. These priorities answer the question, "How will we succeed?" Develop your most important strategic priorities – those that will have the biggest impact as your club works toward its vision.

Consider the following when you develop strategic priorities:

- The Rotary vision statement and strategic plan
- Your club's strengths and weaknesses
- Your district's goals
- Your community's opportunities and challenges
- Your club members opinions
- What you can achieve in three to five years

STRATEGIC PRIORITIES

ANNUAL GOALS

When you have set your strategic priorities, you can develop yearly goals that support them. Write down your strategic priorities. Then list your annual goals, along with the actions you'll take, the resources you'll need, and who will lead the effort to meet each goal. Set a timeline for each. Rotary Club Central can also assist you in setting goals and tacking achievements.

TIP

Effective goals clearly state what, when, how,

PHASE 4 – TRACK PROGRESS: HOW CLOSE ARE WE TO OUR GOALS? MONITOR PROGRESS

You'll need to track progress toward your annual goals with your strategic planning team and suggest changes to action plans if needed. You may want to try a new approach or allocate more resources to your goals.

Consider the following when monitoring progress:

- How often should we measure progress toward our goals?
- How should we communicate our progress to club members?
- Who should approve changes to action plans or annual goals

GOAL PROGRESS REVIEW PLAN

--

REVIEW AND ADJUST

As you review the progress you've made, list your goals, including any goals that were not met and the reasons why. Determine what adjustments or actions should be taken to achieve those unmet goals.

Consider the following when identifying and listing your missed targets:

- What goals were met?
- What goals were not met?
- What are the top reasons we fell short of those goals?
- What adjustments need to be made to help us achieve those goals?

Bylaws of the Rotary Club of _____

Club bylaws supplement the Standard Rotary Club Constitution with common club practices. The bylaws in this document are recommendations, but once adopted are binding for the members of the club. Customize them to reflect your club's practices, and confirm that they are not in conflict with the RI Constitution and Bylaws, the Standard Rotary Club Constitution (except where permitted), and the Rotary Code of Policies. Articles that your club is required to include are noted below.

 5. RI : Rotary International.
 6. Year : The 12-month period beginning 1 July.
- Your club may choose how it defines a quorum for voting purposes.

Article 2 Board -

The governing body of this club is its board of directors, consisting of, at a minimum, the president, immediate past president, president-elect, secretary, and treasurer.

Section 5 — The terms of office for each role are:

President	—One Year
Vice President	—

Sergeant-at-arms	—

The Standard Rotary Club Constitution requires that your club's bylaws specify an election process. If a nominating committee is used, include details of how it is appointed. The term of office for a club president is specified as one year in the Standard Rotary Club Constitution. When a successor is not elected, the current president's term can be extended for up to one year.

Article 4 Duties of the Officers -

- Section 1** — The president presides at club and board meetings.

Section 3— Board meetings are held each month. Special meetings of the board are called with reasonable notice by the president or upon the request of two directors.

Include satellite club voting procedures here.

Article 8 Committees -

Section 1— This club's committees comprise those listed in article 11, section 7, of the Standard Rotary Club Constitution, as well as the following:

_____.

Section 2— The president is an ex officio member of all committees.

Section 3— Each committee's chair is responsible for the regular meetings and activities of the committee, supervises and coordinates its work, and reports to the board on all committee activities.

Club committees coordinate their efforts to achieve the club's annual and long-term goals.

Article 9 Finances -

Section 1— Before each fiscal year starts, the board prepares an annual budget of estimated income and expenditures.

Section 2— The treasurer deposits club funds in a financial institution or institutions designated by the board, divided into two accounts: one for club operations and one for service projects.

Section 3— Bills are paid by the treasurer or another authorized officer and approved by two other officers or directors.

Section 4— A qualified person conducts a thorough annual review of all financial transactions.

Section 5— Club members will receive an annual financial statement of the club. A mid-year financial report, with current and previous year income and expenses, is presented at the annual meeting.

Section 6— The fiscal year is from 1 July to 30 June.

Article 10 Method of Electing Members -

Section 1— A member proposes a candidate for membership to the board and/or the membership committee, or another club proposes one of its transferring or former members.

Section 2— The board approves or rejects the candidate's membership within 30 days and notifies the proposing member of its decision.

Section 3— If the board approves the candidate's membership, the prospective member is invited to join the club.

A process to address objections raised by current members may also be included here.

Article 11 Amendments -

These bylaws may be amended at any regular club meeting. Changing the club bylaws requires sending written notice to each member 21 days before the meeting, having a quorum present for the vote, and having two-thirds of the votes support the change. Changes to these bylaws must be consistent with the Standard Rotary Club Constitution, the RI Constitution and Bylaws, and the Rotary Code of Policies.

“When you think of what Rotary gives us, it is that opportunity for leadership, growth and development.”

MOBILE EYE CARE UNIT

Mobile Eye Care Unit

The project is launched in Nov' 2018 because Medical facilities are too inadequate in the rural area of Sambhal District that patients staying in remote areas have to travel many kilometers to avail eye medical facilities. Eye care is in still

worst condition. Lack of awareness and knowledge about eye care further adds to the problem.

Over the years we realized that people find it difficult to reach out even to camp places for their treatment of eye problems, because of several reasons, Rotary Sundar Lal Eye Hospital has now started an ambitious project of a Mobile Eye Clinic.

Our Mobile eye care unit is equipped with latest technology machines and medical equipments.

Our Mission:

Rotary Eye Hospital provides compassionate patient care by our dedicated medical and support staff for satisfied service delivery.

Quality Policy:

We are committed to deliver quality healthcare and maximize our patient satisfaction and we work towards establishing and environment that motivates our employees to do things right first time and every time.

शामली डायलिसिस यूनिट

रोटरी क्लब शामली

शामली में रोटरी शमती डायलिसिस यूनिट की स्थापना वर्ष 2018-19 के हमारे डिस्ट्रिक्ट गवर्नर रोटेरियन दीपक जैन जी के अथक प्रयासों के माध्यम से हुई थी। रोटरी क्लब शामली के लिए यह एक बहुत ही बड़ा उपलब्धि रही और मुझे बताते हुए बड़ा हर्ष है कि रोटरी इंटरनेशनल के द्वारा रोटरी क्लब शामली को दो डायलिसिस यूनिट व 2 हजार लीटर का R. O. सिस्टम रोटरी ग्रांट के माध्यम से दिया गया रोटरी क्लब शामली इस महान प्रोजेक्ट के अंतर्गत

प्रतिदिन दो या तीन जरूरतमंद व्यक्तियों की डायलिसिस करता है और डायलिसिस का जो चार्ज है बहुत ही नॉर्मल है। प्रति व्यक्ति हम रू 800 का चार्ज करते हैं। उसमें भी अगर किसी व्यक्ति की पैसा देने की समर्थ नहीं है तो रोटरी क्लब शामली उसको डायलिसिस की सुविधा निःशुल्क प्रदान करता है। वर्तमान परिस्थितियों में कोविड-19 के दौरान शामली डायलिसिस यूनिट में रोजाना लोक डाउन होते हुए भी प्रतिदिन दो या तीन डायलिसिस की सेवा समाज को दी है यह ऐसी सेवा है जिसकी तुलना किसी भी तरह के सामाजिक सेवा से नहीं की जा सकती। मैं रोटरी क्लब शामली ओर से PDG रोटेरियन दीपक जैन जी का धन्यवाद करता हूँ। रोटरी के माध्यम से ऐसी सेवा लोगों को प्रदान करना वास्तव में एक सच्ची समाज सेवा है और यही यही हमें रोटरी सिखाती है और यही रोटरी का उद्देश्य है और मुझे बहुत खुशी है कि मंडल में यह सेवा करने का सौभाग्य रोटरी क्लब शामली को मिला। वर्तमान में

रोटरी शामली डायलिसिस यूनिट का संचालन रोटेरियन डॉक्टर सुनील मित्तल द्वारा उनक नर्सिंग होम निकट रेलवे फाटक परकिया जा रहा है।

ROTARACT

Join the global movement of young leaders who are developing innovative solutions to the world's most pressing challenges.

Rotaract clubs bring together people ages 18-30 to exchange ideas with leaders in the community, develop leadership and professional skills, and have fun through service.

In communities worldwide, Rotary and Rotaract members work side by side to take action through service. From big cities to rural villages, Rotaract is changing communities like yours.

What's involved?

Rotaract members decide how to organize and run their clubs, manage their own funds, and plan and carry out activities and service projects. Rotary club sponsors offer guidance and support and work with your club as partners in service.

How do I join?

Check with your university or contact a local Rotary club to find out if there's a Rotaract club in your area. Contact the Rotaract club to find out how you can join its next meeting, service project, or social event.

ROTA KIDS

What is Rota Kids?

RotaKids is a fun and exciting way for children aged 7-12 to make friends and get involved with important activities in the community, all while having a great time in the process.

RotaKids clubs are based in schools, youth groups or community centres and with the help and support from teachers, youth leaders and the local Rotary club, children can gain a valuable experience in helping others and learning interesting, new things.

It also brings an exciting and practical approach to supporting the citizenship element of the national curriculum. By doing so, children enjoy a boost to their confidence and self-esteem at a key age and develop an understanding of how their actions can impact on others. Both RotaKids and **Interact** support the **#iwill** campaign to create genuine opportunities for young people to generate social change.

What do RotaKids clubs do?

The great thing about RotaKids is that children can come up with ideas and see them become a reality.

The groups can do just about anything which springs to mind to help others.

It shows children that by working together, there is so much you can achieve.

Examples of RotaKids activities include:

- Filling shoeboxes with toys for underprivileged children around the world as part of the Rotary Shoebox Scheme
- Raising money for charities in your area with a sponsored bike ride, non-uniform day, cake sale or school fun days
- Supporting the environment by setting a nature project in the school playground or local community
- Collecting books for children in countries around the world

How to get involved

There are over 200 RotaKids clubs across Great Britain and Ireland, all making a difference to the lives of children in their communities.

To set up a RotaKids club in your school, youth group or community centre, please fill out our enquiry form and we'll point you in the right direction.

INTERNATIONAL INNER WHEEL

International Inner Wheel is one of the largest women's service voluntary organisations in the world and are active in more than 104 countries. International Inner Wheel has three key objectives:

- To Promote True Friendship
- To Encourage the Ideals of Personal Service
- To Foster International Understanding

Any woman who shares the three central aims of International Inner Wheel can join the organization

104 COUNTRIES

108614 MEMBERS WORLDWIDE

3979 CLUBS

JOINING THE INNER WHEEL

Starting a new club -

A new Club can now be established by women related to Rotarians/former Rotarians, women related to Inner Wheel members/ former Inner Wheel members and for the first time, by women who have been invited to join the organisation.

Existing clubs-

Established Clubs can grow their membership by inviting women to join with no connection to Inner Wheel or Rotary. A simple majority of existing Club members should agree to this.

Call for new members -

If you know somebody who is interested in joining International Inner Wheel, tell the Club President/Secretary or District Extension Organiser. They should meet that person to discuss the possibility of them either joining an existing Club or starting a new Club.

As soon as those new members join, they become full active members and can vote and hold office and participate in all aspects of the Club. A welcoming committee should explain the objectives of Inner Wheel and how it works.
